

## 2015 – 2016 Sport Priority Funding Projects

Below is a table of successful applicants.

Organization	Grant Amount	Project Title	Project Description
Association of Ontario Snowboarders	\$94,682	Pathway to Podium	A project to provide development and educational opportunities to Long Term Athlete Development (LTAD) Stage 5 Train to Compete Provincial Team athletes, the coaches working with them and the parents that support them. The Association of Ontario Snowboarders will create a system alignment and have the tools in place for Ontario Athletes and coaches to succeed on the Pathway to Podium.
Canoe Kayak Ontario	\$98,119	Canoe Kayak Ontario's (CKO) Academy Program	A project to pilot a newly created Canoe Kayak Canada (CKC) Academy Program. The Academy Program's primary objective is to enhance athletes and coach excellence in the Train to Compete (T2C) stage of Canadian Sport For Life (CS4L) Long Term Athlete Development (LTAD) model.
Cross Country Ontario	\$100,000	Ontario Talent Development Project	A project designed to accelerate the advancement of Nordic skiing athletes at the Train to Train, Learn to Compete, Train to Compete and Train to Win levels. The program will be delivered via a series of high performance provincial and national alignment camps providing identified athletes opportunities to access on-snow skiing in the summer, train with National Team and Development Centre athletes and work with integrated sport team professionals.
Field Hockey Ontario	\$25,163	Field Hockey Ontario Strategic Plan Development	A consultation project to develop a four-year strategic plan including a vision, mission and values and establish yearly operating objectives to achieve the plan. The plan will be approved by the Board of Directors by March 31, 2016 and made available to stakeholders. The four-year strategic and operational plan will target the top 5 strategic priorities for Field Hockey Ontario.
Freestyle Skiing Ontario	\$83,075	Talent Development Project - Phase III: The System	A project to strengthen Freestyle Skiing Ontario's ability to consistently advance athletes to the national team on an annual basis by taking action on critical programming and skill gaps that have been identified in the first two phases of the project. The goal of this project is to enhance the level of programming being delivered at this stage of athlete development.

Judo Ontario	\$57,995	Learn to Train Talent Development Program	A program designed to bridge the gap between the club programs and Judo Ontario High Performance program, leading to more Ontario athletes on the Provincial/National Team. Project objectives include implementation of Learn-To-Train Talent Identification Program, establishing a new position of Provincial Development Coach and developing an aligned and sustainable athlete pathway for Judo Ontario.
Ontario Amateur Wrestling Association	\$50,000	Hire a Provincial High Performance Manager	A project to hire a Provincial High Performance Manager to enhance and manage the existing Ontario High Performance Program (OHP). The OHP is a talent development system launched in 2014-2015 for 14-18 year old athletes as they move from Train to Train to Train to Compete stages of the Long Team Athlete Development (LTAD) Model and better prepare them for the Train to Win stage.
Ontario Basketball	\$89,635	High Performance Competition Enhancement Strategy (HPCES)	A project to develop and implement a high performance competition structure focused on building excellence on the international stage in support of Canada Basketball's goal of podium success at the 2019 Pan Am Games, 2020 Olympic Games and beyond. This project will hire a Women's High Performance coordinator, enhance technical leadership and increase access to sport science for targeted male athletes. Additionally, the project will build off the 2015 Pan Am Games by utilizing legacy facilities to host high performance basketball competitions.
Ontario Blind Sports Association	\$38,418	Goalball Excellence – Collaboratively Coaching Coaches	A project that will improve the high performance goalball coaching system in Ontario. This project consists of a series of programs and events spaced throughout the 2015-16 goalball season.
Ontario Curling Association	\$99,304	Ontario Curling Council High Performance Program Pilot	A project to pilot a high performance program in preparation for entry into the Ontario High Performance Sport Initiative (OHPSI) and the Next Generation Program (future Won the Podium Program). The Program will develop identified curling athletes in the Train to Train and Train to Compete Canadian Sport for Life (CS4L) Stages by providing sport specific training and integrated sport services for national podium potential curling athletes and coaches.
Ontario Cycling Association	\$34,508	Pan/Parapan Am Coach Legacy Project	A project to enhance the cycling infrastructure that was created through Ontario's hosting of the Pan/Parapan American Games by offering a multi-faceted high performance engagement program for targeted coaches of Train to Train and Train to Compete athletes.

Ontario Volleyball Association	\$100,000	Ontario Volleyball – Thinking Outside the Sand Box	A project to increase the number of Ontario men and women selected to Volleyball Canada's future Pan Am and Olympic Canadian Beach Volleyball Teams. Ontario Train to Train beach athletes will be identified, developed and monitored in a year round enhanced daily training environment with an integrated support team.
Ontario Wheelchair Sports Association	\$13,120	Accessible Communications: Conversion and Adaptation	A project to modify corporate communication tools to ensure the Ontario Wheelchair Sports Association is fully accessible so that everyone will be able to access information about our wheelchair sport programming in Ontario.
ParaSport Ontario	\$38,694	ParaSport Infrastructure Program (PIP)	A project to address the recognized need to introduce more coaches to parasport and enhance their understanding of how to coach and communicate with athletes with physical disabilities.
Row Ontario (Ontario Rowing Association)	\$62,245	ROWONTARIO Competition System Development Project	A project to support the development of a structured system that recognizes different forms of competition, provides training for regatta officials, managers and volunteers to deliver these competitions and develop a new revenue stream for the organization, utilizing the new competition structure.
