

2016 – 17 Ontario Sport and Recreation Communities Programs Fund (OSRCF) Local/Regional

CENTRAL REGION

A table of successful applicants. Each row is a different project and contains the following information:
organization, grant amount, project title, and project description.

Municipality	Organization	Grant Amount	Project Title	Project Description
Halton Hills	The Town of Halton Hills	\$28,419	The Town of Halton Hills Skate Bank and Start Skating Movement Education program.	This one year project will support the introduction of a new start to skate and skate loan program targeting low income families to increase physical activity levels, develop fundamental movement skills and provide 660 people with an opportunity to be introduced to ice sports.
Caledon	The Town of Caledon	\$9,290	Caledon Leadership Development Boot camp	This one year project will provide leadership training to 350 recreation staff and volunteers on the Canada Sport 4 Life framework, principles of Physical Literacy and Board Governance to build the capacity of local sports groups to deliver high quality programs.
Oshawa	Grandview Children's Centre	\$26,722	Active Start for Children 18 months - 6 yrs. with intellectual disabilities	This two year project will create an Active Start Program for 90 children with intellectual/developmental disabilities aged 18 mo.-6 yrs.
Toronto	Pickering Rouge Canoe Club	\$19,623	Enhanced Paddling Development Program	This two year project will build a cohort of 12 children aged 9 to 12 in 2016 and 20 children in 2017 who will learn to train together in flatwater paddling. Through the "Enhanced Paddling Development Program", youth coaches and volunteers will be supported with training opportunities to mentor the children.

Municipality	Organization	Grant Amount	Project Title	Project Description
Toronto	Right To Play	\$84,400	Youth To Youth (Y2Y) Level Up Project	This project will provide two year funding to develop and introduce a new model of the physical activity program delivery to 1200 Youth Leaders ages 10 to 18 through training 100 teachers at 50 partner schools in the priority neighbourhoods of Toronto.
Toronto	Canada's National Ballet School / L'Ecole nationale de ballet du Canada	\$120,250	Sharing Dance Indigenous - Themed Program	This two year project will focus on developing FMS through dance in 8,500 children and youth and train 20 dance instructors to deliver the program in 10 school settings. "Sharing Dance Indigenous-Themed Program" will also maintain and enhance FMS in 1,500 members of the aging population and train 20 dance instructors to deliver the program in community settings.
Toronto	The 519 Church Street Community Centre	\$44,637	Trans Youth Sport and Physical Literacy Project	This two year project will develop fundamental movement skills, build capacity and confidence of LGBTQ youth between 16 and 29 years through engaging in sport and physical activity. Through "Trans Youth Sport and Physical Literacy Project", the youth will have the opportunity to spend several weeks on one type of activity thereby allowing them to develop different abilities and skills.
Toronto	Native Child and Family Services of Toronto	\$72,474	Physical Literacy for Native Families Through the Life Cycle	This project will provide two year funding to engage 140 indigenous children, youth, adults and seniors in the GTA in physical literacy activities. "Physical Literacy for Native Families Through the Life Cycle" will engage indigenous people in physical activities as part of a community-led needs assessment that will inform the development of a Physical Literacy Strategy and build the capacity of the sector to provide culture-based sport and recreation programming.

Municipality	Organization	Grant Amount	Project Title	Project Description
Halton Hills	Halton Hills Blue Fins Swim Club	\$57,441	STROKES - Strengthening Our Kids Emotional and Social well-being	This 2 year project will support the re-structuring of a recreational swim program to be more closely aligned with the Swim Canada Long Term Athlete Development plan providing new opportunities for 136 children to participate in the sport of swimming and increasing the capacity of the Club through coach and volunteer training.
Toronto	Harbour front Community Centre	\$77,035	Together We Fit	This project will offer funding for 32 weeks of free physical literacy engagement to 15 at-risk, inactive, marginalized mothers and their 30-35 children each year reaching a total of 30 mothers and 60-70 children over the two-year project. The "Together WE Fit" project will provide three streams of physical activation: Mother's Only, Children's Active Play and Mother/Child Joint activities that support stages 1, 2, 3 and 7 of the Long-Term Athlete Development Continuum.
Tiny	The Township of Tiny	\$20,606	Come Play with Us: Rev Up for Active Gaming in Tiny!	This project will provide one year funding to increase opportunities for older adults and seniors 65+ to learn about, and participate in, four physical activities: pickle ball, bocce ball, tennis and shuffleboard. "Come Play with Us: Rev up for Active Gaming in Tiny!" will enable 146 seniors and older adults in the Township of Tiny and surrounding areas to become more active and provide a foundation for lifelong physical activity.
Oshawa	The City of Oshawa	\$47,326	Active Youth for Life (AY4L)	This two year project will implement the Active Youth for Life program to promote healthy lifestyles for 1000 youth aged 13 - 17 from a low income neighbourhood in Oshawa.

Municipality	Organization	Grant Amount	Project Title	Project Description
Burlington	Community Development Halton	\$125,220	Burlington Physical Literacy Team	This two year project will develop physical literacy skills and provide physical activity opportunities for 1500 children in 6 neighbourhoods in Burlington through the creation of "Burlington Physical Literacy Team."
Toronto	Evergreen	\$49,981	Riding the Ravines: Guided Trail Rides in the Don Valley	This two year project will promote cycling and enable 400 Torontonians from low-income neighbourhoods to safely explore the Don Valley trail system. Participants will receive access to free bicycle and equipment rental as well as guided trail rides.
Toronto	Skate To Great	\$45,000	Skate To Great (S2G) and All Star Hockey.Org (ASH) are partnering to launch to the Malvern Hockey Project	This two year project will provide 35 to 40 new Canadian youth from the Malvern area of Scarborough with an opportunity to learn how to play hockey. "The Malvern Hockey Project" is a joint initiative by Skate to Great and All Star Hockey and will work with schools to identify new Canadian students to participate in the project. There will be 20-23 weeks of on-ice programming that will cover basic skating drills to exhibition matches.
Stouffville	The Town of Whitchurch-Stouffville	\$10,404	WS Walks	This one year project will implement the WS Walks Program; a walking club for over 150 seniors and families that utilizes existing fitness equipment located in two Stouffville parks. It will also map a variety of trails and create a municipal trail map for public use.

Municipality	Organization	Grant Amount	Project Title	Project Description
Toronto	Broad Reach Foundation For Youth Leaders	\$126,292	The Anne Bonny Project - girls championing equitable access to the sport, science and mastery of sailing	This project will provide two years of funding to give equitable and sustainable access to sailing and rowing for 750 disadvantaged and marginalized newcomer youth ages 13 to 24 years and train over 20 collaborating youth service providers.
Toronto	Braeburn Neighbourhood Place Incorporated	\$222,000	'Move and Play' (MAP) Physical Literacy Project	This project will build a Community of Practice among Early Childhood Practitioners, Early Years Centres, After School Programs and Childcare Facilities in the Etobicoke area. The Move and Play project will span over two years and result in 2500 children and parents having increased Physical Literacy knowledge as well as over 200 trained staff.
Toronto	The Living City Foundation	\$21,898	Bruce's Mill Pass Program	This project will provide one year funding to support the implementation of the Bruce's Mill Pass Program that will allow up to 500 children and youth unlimited access to a variety of sport and recreation programs offered by program partners, Stouffville BMX, Treetop Trekking and the Bruce's Mill Conservation Area.
Toronto	The City of Toronto	\$250,600	Incorporating Quality Assurance Standards into Children's Recreational Programming	This project will incorporate HIGH FIVE®'s Quality Framework into children's programs, establish the path toward achieving HIGH FIVE® accreditation for the City of Toronto, and advance the culture of quality assurance standards within the City. The project will enable the City to train 6,000 part-time front line staff to ensure a quality enhanced experience for participants and families. The project will also result in the development of a Quality Assurance and HIGH FIVE® Accreditation model for other organizations and agencies in the recreation sector.

Municipality	Organization	Grant Amount	Project Title	Project Description
Wasaga Beach	The Town of Wasaga Beach	\$50,694	WASAGA B.A.T.S.	This project will provide opportunities for low income adults to develop lifelong enjoyment of sports and physical activity through various recreational leagues including beach volleyball, pickle ball, ultimate Frisbee, and flag football, amongst others. The "WASAGA B.A.T.S" project will provide two year funding to allow 300 adults from Wasaga and surrounding areas to engage in these sports in a fun and low key environment.
Toronto	The Canadian Diabetes Association - Toronto	\$18,956	GlucFit Project	This project will provide one year funding to create the GlucFit Project, to deliver a comprehensive supervised exercise and lifestyle program targeting 30 community members with type-2 diabetes and pre-diabetes.
Toronto	West Neighbourhood House	\$24,532	Physically Active Lifestyles for Women and Children	This project will enhance physical literacy and the benefits of physical activity. The two year "Physically Active Lifestyles for Women and Children" project will target a group of 360 women who have experienced domestic violence in the Toronto (GTA) community.
Toronto	COSTI Immigrant Services	\$ 51,531	Sport for Life	This project will provide one year funding for "Sport for Life" program for 60 visually impaired children and youth aged 12 - 24. They will participate in a 40 week fundamental movement skills program consisting of Beep baseball, soccer, goal ball and swimming to provide systematic entry into mainstream sports and recreation.
Toronto	P.O.I.N.T. Inc.	\$10,084	"Get Your Game On"	This project will provide one year of funding to increase the physical literacy of 70 newcomer youth ages 13 to 17 in the mid-town Toronto area through exposing them to new types of sports, recreational activities and venues.
