

2015-16 Ontario Sport and Recreation Communities Fund (OSRCF) Provincial Projects

A table of successful applicants. Each row is a different project and contains the following information:
organization, grant amount, project title, and project description.

Organization	Grant Amount	Project Title	Project Description
Association of Ontario Snowboarders	\$126,700	ROOTS Project	This project will train 120 leaders to implement the nationally-recognized ROOTS Program designed for FUNdamentals, Learn to Train, and Active for Life stages to 10 communities across the province over two years, reaching 2,000 snowboarders per year.
Canadian Mental Health Association Ontario Division	\$174,700	Mood Walks for Youth in Transition	This project will engage 300 youth between the ages of 13 and 24 with mental health disabilities in hiking activities throughout Ontario over a two-year period, and bring together a variety partners including Hike Ontario, Conservation Ontario, York University, Ryerson University, the Centre for Innovation in Campus Mental Health and the Centre for Community-Based Research.
Golf Association of Ontario	\$111,600	Golf START: "Building Better Communities through Golf"	This project will deliver a provincial campaign and learning series to encourage people of all ages, backgrounds and abilities to participate in golf by staging 75 community events in eight Ontario communities over two years, engaging 1,200 participants across 40 golf clubs.
Hockey Development Centre for Ontario	\$74,000	Trainer's Pal Online Project	This project will develop a number of upgrades to the HDCO Trainer Certification Learning Platform which will reach an estimated 15,000 participants across Ontario.

Organization	Grant Amount	Project Title	Project Description
Motivate Canada	\$277,640	Motivate Canada Physical Literacy for Youth Leaders Project	This project will train 36 qualified leaders to encourage positive behaviour change in youth in their communities through a youth-driven development framework that equips them to engage their communities as role models and initiate 72 'ACTIVATE in Action' projects across the province that enhance levels of physical activity, fundamental movement skills, self-esteem and resilience.
Ontario Basketball	\$181,014	Hoops & Spikes	This project will train 18 program leaders to teach and assess 600 participants aged 6-9 in 12 communities across the province under the 'Hoops & Spikes' program.
Ontario Rugby Union	\$69,134	Rugby Ontario Flag Forever Program	This project will develop non-contact flag rugby programs for 600 participants and increase capacity with the certification of 32 coaches.
Ontario Tennis Association	\$127,702	Kids' Tennis/Freedom 50	This project will engage 3,000 older adults by engaging individuals 55-64 through volunteer recruitment and training, the promotion of healthy eating concepts, and regular participation in tennis.
Ontario Volleyball Association	\$115,145	Smashball - Enhancing Capacity for Boys Volleyball in Ontario	This project will train 75 leaders to deliver the game of Smashball to 750 boys aged 6-12 in 12 communities across Ontario over a two-year period, in partnership with 12 other organizations including member clubs, community centres, Boys and Girls Clubs and elementary schools.
Ontario Wheelchair Sports Association	\$97,497	Wheelchair Basketball Recreation League	This project will hire a project coordinator and train 40 leaders to create a provincial basketball league which will engage 1,600 participants in 16 communities throughout Ontario over a two-year period.

Organization	Grant Amount	Project Title	Project Description
Parks & Recreation Ontario (PRO)	\$207,000	Creating Capacity to Track Quality Participation and Physical Activity	This project will create capacity in aboriginal, northern, rural, and low income communities by training 300 individuals to work with 2,400 children. This project will train them with the knowledge and expertise to intentionally run quality programs with a focus on healthy child development including physical literacy, children's mental health, and physical activity.
ROWONTARIO (Ontario Rowing Association)	\$41,689	CS4L Skills Development for New Rowers	This project will bridge an identified gap in the Canadian Sport for Life pathway between first contact experiences and the conversion of new participants into Learn to Train and Active for Life rowers by developing requisite skills that allow 200 new rowers to participate in a safe, barrier-free environment while training 40 new coaches and volunteers in program delivery.
Special Olympics Ontario	\$224,419	Partners in Play – Learn to Play Partnership Initiative	This project will work with 24 partners to engage 1,300 participants in 39 communities across Ontario over two years in delivering 40 Learn-to-Play programs in the sports of athletics (track and field), basketball, soccer and swimming.
Squash Ontario	\$58,177	Squash Ontario Regional Program Development	This project will assist 9 provincial regions by providing outreach through a dedicated Squash professional(s) to work with the local club/recreation facilities and help build opportunities for increased participation and capacity within communities and schools across Ontario.

2015-16 Ontario Sport and Recreation Communities Fund (OSRCF) Local/Regional Projects

EAST REGION

A table of successful applicants. Each row is a different project and contains the following information:
municipality, organization, grant amount, project title, and project description.

Municipality	Organization	Grant Amount	Project Title	Project Description
Ottawa	A Love of Tennis Inc.	\$15,124	Serving up Success	This project will increase participation, build sport capacity, and develop physical literacy programs for 300 children ages 6-17, and train five volunteers as Tennis Canada certified instructors in order to increase capacity and to ensure sustainability.
Ottawa	Albion Heatherington Recreation Centre	\$35,953	Athletes Club	This project will build a Pan Am sports opportunity into a new recreation program to teach children from low-income neighbourhoods, fundamental, transferrable sports skills, with a focus on basketball and volleyball.
Golden Lake	Algonquins of Pikwakanagan Health Services	\$43,423	Healthy Kids Make Healthy Adults	This project will focus on the development of physical literacy skills and fundamental movement skills, build capacity and increase the number of children, youth and teens participating in sport and recreation for the Algonquins of Pikwakanagan.

Municipality	Organization	Grant Amount	Project Title	Project Description
Port Hope	Big Brothers Big Sisters of Northumberland	\$98,400	Power Play - Mentoring Through Sport	This project will engage 200 marginalized and at-risk children in organized sports activities designed to develop fundamental movement and decision-making skills amongst participant children and youth aged 6-18 years with twenty mentors trained in physical literacy and the fundamentals of sport, increasing leadership capacity throughout Northumberland County.
Kingston	Boys and Girls Club of Kingston and Area	\$70,900	Kingston Police Athletic League	This project will create a Police Athletic League that will offer various sport opportunities to children and youth aged 10-17 in Kingston; including basketball, indoor soccer, ball hockey and baseball.
Woodlawn	Constance & Buckham's Bay Community Association	\$41,067	Constance Bay Active Living Jump-Start	This project will remove participation barriers for 294 older adults by teaching active-living skills to geographically isolated and financially disadvantaged seniors in the rural communities of Constance Bay, Buckham's Bay, Woodlawn and Dunrobin.
Ottawa	Centre de Ressources Communautaires Rideau-Rockcliffe	\$55,664	Multisport Program for Children and Youth	This project will offer a FMS multi-sport program to children aged 6-12 years and youth aged 12-18 years in the Rideau Rockcliffe Ward. Over a period of two years, 220 participants will benefit from weekly programming and an additional 30 youth aged 16-25 will become qualified FMS trainers.

Municipality	Organization	Grant Amount	Project Title	Project Description
Ottawa	Centre des services communautaires Vanier	\$120,516	Get Moving Again!	This project will increase the number of sport and recreation participation opportunities for 450 newcomer francophone children and youth aged 6-18 by offering free sports programming and cycling lessons over two years.
Trenton	Committee for Innovative Thinking For Youth Quinte West Youth Centre	\$39,567	Teen Activity Sports and Recreation (TASAR)	This project will provide physical activity opportunities such as ball skills sports events, recreational running programs, and strength and flexibility programs for 200 youth ages 12-18 while encouraging leadership development in senior youth by providing barrier free access to training and coaching programs.
Kemptville	Corporation of the Municipality of North Grenville	\$18,800	Skate and Helmet Lending Library and Learn to Skate Program	This project will provide a skate and helmet lending program for children and youth and offer a "learn to skate" program for grade one students.
Brockville	Developmental Services of Leeds and Grenville	\$58,958	Tumbling Together	This project will train new staff to increase the legacy of 'Tumbling Together,' an early foundation physical literacy skills program for children 3-6 years of age with delays or significant developmental challenges.
Ottawa	Glebe Neighbourhood Activities Group	\$58,211	YouthFIT	This project will increase participation, build sport capacity, and develop physical literacy programs for 1,600 children and youth, and train 10-20 youth to lead fitness and physical activity classes in order to increase capacity and to ensure sustainability.

Municipality	Organization	Grant Amount	Project Title	Project Description
Peterborough	Green Communities Canada	\$60,072	LifeCYCLE: Inspiring Students to be Active Everyday	This project will enable Green Communities Canada to implement the LifeCYCLE program for Grade 5-8 students at six to eight elementary schools in Toronto.
Ottawa	Jewish Youth Library of Ottawa	\$19,990	Inter-ACTIVE Girls!	This two year project will provide swimming lessons, yoga and hiking, and life-long intergenerational participation skills to 195 girls, women and older adults and over two years provide High Five Leadership training skills to 10 leaders.
Combermere	KidActive - Healthy Kids, Communities and Outdoors	\$47,184	Designed to Move in Renfrew County	This project will use local expertise and evidence based resources to deliver high quality and regular recreation training (with a focus on parks and trails) and education programs to communities across Renfrew County.
Ottawa	Lowertown Community Resource Centre	\$60,136	Healthy for Life	This project will offer evening Pan Am Games-themed sports programming to children and youth 10-17 years of age; Zumba, aquafitness and swimming lessons for ethnocultural women; and artistic dance classes for seniors aged 65+.
Port Hope	Municipality of Port Hope	\$19,600	Para Learn to Swim Program	This project will provide specialized swimming instruction to approximately 488 children and youth (ages 6 to 24 years) in Port Hope to enhance their fitness level, flexibility and provide an essential life skill while also providing training for three swim instructors and two lifeguards to deliver this program.

Municipality	Organization	Grant Amount	Project Title	Project Description
Nepean	Nepean Rideau Osgoode Community Resource Centre	\$8,000	Teen and Adult Swim Lesson Program (TASW)	This project will hire a coordinator and two instructors to provide a series of swimming lessons to 47 youth and adults over a two year period.
Sharbot Lake	Northern Frontenac Community Services	\$17,950	Kids Fit First Nations Initiative (Where Kids Get Fit and Fit In)	This project will increase opportunities for Aboriginal youth to become active and build fundamental movement skills by participating in two traditional First Nations sports.
Ottawa	Olde Forge Community Resource Centre	\$81,720	The Olde Forge Seniors' Recreation Program	This project will remove participation barriers for 275 older adults by providing fitness programs, healthy eating workshops, and training of 25 volunteers in the City of Ottawa.
Dunrobin	Ottawa River Canoe Club	\$19,590	Para Canoe Program	This project will remove participation barriers by teaching 20 youth para-athletes to canoe, train 10 new para-coaches, and extend the canoe kayak program from a seasonal training program to a year round training program.
Ottawa	Rideau Canoe Club	\$47,080	Satellite Canoe and Kayak Recreational Programs	This project will increase participation, build capacity, and develop physical literacy programs for 408 children, youth, adults and seniors through summer camps and fitness programs.
Alfred	Soccer PRO 17	\$3,100	Club de soccer PRO17	This project will promote the benefits of soccer in developing fundamental movement skills, offer opportunities to youths, especially girls, to be and stay active, increase the club's membership, and provide training for volunteers to act as coaches and officials.

Municipality	Organization	Grant Amount	Project Title	Project Description
Wilberforce	The Municipality of Highlands East	\$16,493	Wilberforce Children/Youth and Senior's Curling Program Expansion	This project will enable the community to expand curling programming for children and seniors in Wilberforce.
Algonquin Highlands	The Township of Algonquin Highlands	\$7,598	Active & Strong In Algonquin Highlands!	This project will provide new recreation opportunities to enhance participation within the community and help promote and support an active lifestyle specifically geared towards older adults and seniors and families. The project will deliver 36 physical activity classes such as yoga, cross-country skiing, and hiking, and will also offer participants reduced trail and rental fees to encourage participation.
Minden	The Township of Minden Hills	\$6,600	Minden Hills Active Living Project	This project will provide new recreation opportunities to enhance participation within the community and help promote and support an active lifestyle specifically geared towards older adults and seniors and families. The project will introduce such programs as Zumba, yoga, low impact aerobics, pole walking, snowshoeing, and a bike share initiative.
Arnprior	Town of Arnprior	\$40,000	Seniors on a Roll	This project will increase the opportunities for older adults and seniors to become more physically and mentally active by offering low or no cost activities that are easy to access and become involved in. This project will offer transportation opportunities that will allow 3,000 older adults and seniors to participate in such programming as Nordic skiing, Cross-country skiing, and swimming.

Municipality	Organization	Grant Amount	Project Title	Project Description
Cobourg	Town of Cobourg - Cobourg Community Centre	\$58,898	Recreation Strategic Plan	This project will result in a comprehensive strategy focusing on new program development, program staff training modules, new partnership opportunities and barrier reduction tactics to support a focus on CS4L principles increasing active living for all age groups together with the creation of an evaluation tool to measure program success in a more effective manner.
Renfrew	Town of Renfrew	\$36,946	Time to Play	This project will provide an opportunity for children, youth and families to participate in ball sports and movement activities. Activities will begin during the summer of 2015, and popular programs will continue beyond March 2016 due the sustainability of the program. Time to Play is an opportunity to multiply the number of staff and programs available in the Town of Renfrew by at least 10%.
Lansdowne	Township of Leeds and The Thousand Islands	\$16,750	Leeds and the Thousand Islands Recreation Library	This project will establish a Recreation Library in partnership with four local libraries for the benefit of 10,000 residents. Residents will be able to borrow recreation and leisure interest equipment just as they would a book or DVD. Resources will include items such as soccer balls, basket balls, hiking poles, and tennis racquets. These items will make participation in physical activities more accessible and enticing.
